# Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

**The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding.** LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

**The LEA must address the Strategy and Alignment prompts provided on the following page.**

**Each provision for each program must be addressed,** unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;

however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

## Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

University High School is a single school LEA. So all the money received will go directly to support the LCAP goals. The amount of federal funds is very small. In total UHS receives \$14,580 in federal funds which represents about one quarter of one percent of the overall school budget for 2019-20

## Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

The money will be accessed as part of the standard operation of the school when services or resources are utilized that fall within the funds spending parameters. The Title 1 money will be used for textbooks and basic supplies, the Title II money is reserved for teacher professional development and the Title IV money is used to support Academic programs.

# ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals, and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

## TITLE I, PART A

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(1) (A–D)	1, 2, 4, 7, 8 ( <i>as applicable</i> )

Describe how the LEA will monitor students' progress in meeting the challenging state academic standards by:

- (A) developing and implementing a well-rounded program of instruction to meet the academic needs of all students;
- (B) identifying students who may be at risk for academic failure;
- (C) providing additional educational assistance to individual students the LEA or school determines need help in meeting the challenging State academic standards; and
- (D) identifying and implementing instructional and other strategies intended to strengthen academic programs and improve school conditions for student learning.

### Overuse in Discipline Practices that Remove Students from the Classroom

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(11)	6 ( <i>as applicable</i> )

- (A) academic and career and technical education content through coordinated instructional strategies, that may incorporate experiential learning opportunities and promote skills attainment important to in-demand occupations or industries in the State; and
- (B) work-based learning opportunities that provide students in-depth interaction with industry professionals and, if appropriate, academic credit.

## TITLE II, PART A

### Title II, Part A Activities

ESSA SECTION	STATE PRIORITY ALIGNMENT
2102(b)(2)(A)	1, 2, 4 ( <i>as applicable</i> )

Provide a description of the activities to be carried out by the LEA under this Section and how these activities will be aligned with challenging State academic standards.

## TITLE I, PART A

### Poverty Criteria

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(4)	N/A

Describe the poverty criteria that will be used to select school attendance areas under Section 1113.

# ESSA Provisions Not Addressed in the LCAP

For the majority of LEAs the ESSA provisions on the following pages do not align with state priorities. **Each provision for each program provided on the following pages must be addressed**, unless the provision is not applicable to the LEA. In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

## TITLE I, PART A

### Educator Equity

ESSA SECTION 1112(b)(2)

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

#### THIS ESSA PROVISION IS ADDRESSED BELOW:

Because UHS is a single school site all the money will go directly to the students of that site. Additionally, at the school the entire student body takes the same curriculum which negates any disparity. Furthermore, because the different courses are taught by a single teacher (1 English 9 teacher, 1 English 10, etc) Every student at every grade level with few exceptions will receive the same state standards and curriculum as every other student in that grade level.

### Parent and Family Engagement

ESSA SECTIONS 1112(b)(3) and 1112(b)(7)

Describe how the LEA will carry out its responsibility under Section 1111(d).

Describe the strategy the LEA will use to implement effective parent and family engagement under Section 1116.

#### THIS ESSA PROVISION IS ADDRESSED BELOW:

UHS accessed its parents in many different ways to get their input on the development of the LCAP. The following were all done by the school with parents.

- The WASC document written in the fall of 2016 and the WASC visiting team report as a result of our fall visit.
- The LCAP writing team included 2 staff, representing teachers and administrators from University High School.
- Numerous surveys were sent out school wide (climate, parent, student).
- Two meetings were scheduled reviewing the LCAP process and goals with administration.
- A parent survey was responded to by 230 parents in December 2018. A parent forum was held on March 5<sup>th</sup> at our Open House to discuss LCAP plans for the 19-20 year.
- LCAP review by the UHS Board.
- What goes unnoticed is that our school's academic program is all based on our school's charter that was written and approved by Fresno Unified School District in 2017. This is the 19th year of our school's operation and we carefully follow our school's charter. That charter requires us to create and implement a program that meets all 8 of the state priorities.

## **Schoolwide Programs, Targeted Support Programs, and Programs for Neglected or Delinquent Children**

ESSA SECTIONS 1112(b)(5) and 1112(b)(9)

Describe, in general, the nature of the programs to be conducted by the LEA's schools under sections 1114 and 1115 and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

Describe how teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a targeted assistance school program under Section 1115, will identify the eligible children most in need of services under this part.

### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

This does not apply to UHS.

## **Homeless Children and Youth Services**

ESSA SECTION 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act (42 United States Code 11301 et seq.).

### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

Because we do not have EL learners our money is being spent on foster youth and students who qualify for free or reduced-price meals. Because all our students take the same course of study, what

appears to differentiate between these two groups and the general population are two things. 1) Access to high quality tutors and a good place to study and 2) The ability to access some of the 'extra' activities and programs that are not covered within the typical school budget and come with an 'extra cost'.

To resolve these two issues, we are using the money allocated to support the following programmatic elements.

1. The school will spend money to maintain low class sizes far below the public-school norm. We have learned that smaller class sizes lead to more teacher attention and greater success for our unduplicated students.
2. The school will maintain a low student to counselor ratio to ensure our unduplicated students receive frequent contact by their school counselor from grades 9 to 12.
3. We are expanding and improving our Academic Support Center which provides access to student and faculty tutoring and assistance, free snacks and a quiet place to study.
4. The school will provide foundation funds to subsidize traditional student and family related school costs, so all low-income and foster youth can attend extra-curricular school activities such as dances, buy yearbooks, provide tickets for their parents to attend school performances, etc.

## **Student Transitions**

ESSA SECTIONS 1112(b)(8) and 1112(b)(10) (A–B)

Describe, if applicable, how the LEA will support, coordinate, and integrate services provided under this part with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.

Describe, if applicable, how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including:

- (A) through coordination with institutions of higher education, employers, and other local partners; and
- (B) through increased student access to early college high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

Since we a high school and do not have other schools this does not apply to us.

## **Additional Information Regarding Use of Funds Under this Part**

ESSA SECTION 1112(b)(13) (A–B)

Provide any other information on how the LEA proposes to use funds to meet the purposes of this part, and that the LEA determines appropriate to provide, which may include how the LEA will:

- (A) assist schools in identifying and serving gifted and talented students; and

(B) assist schools in developing effective school library programs to provide students an opportunity to develop digital literacy skills and improve academic achievement.

**THIS ESSA PROVISION IS ADDRESSED BELOW:**

As a school we have developed an entire list of technology skills we want our graduates to obtain. In keeping with this goal our school uses money to provide computers for our students to use and we subscribe to a variety of software programs.

**THIS ESSA PROVISION IS ADDRESSED BELOW:**

We exist on a university campus (Fresno State) and in our curriculum, students are required to successfully complete university courses taught on campus. These courses are all paid for by UHS and Title IV funds are used for this purpose although given the small amount of money the school receives this effort is mostly paid for through the school's general fund.
