

Dear Friend of Education,

University High School is a college preparatory school located on the campus of Fresno State. Our small public charter school has a current ranking of; **2<sup>nd</sup> best charter in CA., 7<sup>th</sup> best high school in CA, & 20<sup>th</sup> best charter high school in America (Niche.com,2022)**. It is a model of what today's most thoughtful education reformers consider essential for the achievement of academic excellence: small classes, an outstanding faculty and a rigorous academic program that includes music.

Like other schools throughout the country, we face challenges in funding our programs. Rather than holding different fundraising events, we put on a single fundraiser each spring. It is a theme dinner, hosted by our UHS parents, called the "Phoenix Phling." Community members from throughout the Central Valley attend this event to enjoy a delicious meal, listen to some of our award-winning music ensembles and shop our silent auction. This year the wonderful fundraiser will be on April 22nd at the Fresno State's Satellite Student Union.

We are reaching out to you today to ask for a donation of an item or service for our silent auction. University High School will publicize your business or family name by your donated items. Your generosity will be spoke about in our program and during the narration of our event. Our school needs help from generous people like you to make this fundraiser a success.

Your gift may be tax deductible as University High School is a 501(c)(3) non-profit organization. We hope that you will consider a contributing to support our program.

If you have any questions about our school or this event, please feel free to contact me  
Very sincerely yours,
