

Student/Parent Release of Liability

Dear Parent/Guardian:

As a parent/guardian of a student who is attending or is about to attend University High School (UHS), I understand that this a unique learning environment located on the Fresno State campus, and that my child or ward, because of this unique environment, will not be monitored or supervised in the same fashion as on a traditional high school campus. I understand that my child or ward may be attending classes held on the Fresno State campus that are taught and supervised by Fresno State personnel and that, on other occasions, as a result of the emphasis at UHS of encouraging students to direct their own activities, students may not be directly supervised or monitored by UHS personnel during normal school hours. As I desire my student or ward to engage in learning in such an environment, I therefore agree to waive any claim or action I or my child or ward might otherwise have against UHS or its employees or agents for any personal injury, property damage, or other loss or damage of any sort, regardless of where it may occur, which results directly or indirectly from supervision, partial supervision, or lack of supervision of my child or ward while a student at University High School.
