Dear Friend of Education,

University High School is a college preparatory school located on the campus of Fresno State. This small public charter school is currently ranked the 17th **Best Charter High School in the Nation by US News and World Report**. It is a model of what today's most thoughtful education reformers consider essential for the achievement of academic excellence: small classes, an outstanding faculty and a rigorous academic program including music.

Like many schools throughout the country, we face challenges in funding our programs. Rather than holding different fundraising events, we put on a single fundraiser each spring. It is a theme dinner, hosted by our UHS parents, called the "Phoenix Phling". Community members from throughout the Central Valley attend to enjoy a delicious meal, listen to some of our award-winning music ensembles and shop our silent auction. This year the wonderful fundraiser will be held on April 22nd at the Fresno State University's Satellite Student Union.

We are reaching out to you today to ask for a donation of an item or service for our silent auction. Your business or family name will be prominently displayed by your item and you will be acknowledged in our event program. Our school needs help from generous people like you to make this fundraiser a success.

Your gift may be tax deductible as University High School is a 501(c)(3) non-profit organization. We sincerely hope that you will consider making a contribution to support our program.

If you have any questions about our school or this event, please feel free to contact me at bcrogers1970@gmail.com or (559) 765-8114. I look forward to hearing from you.

Very truly yours,

Barbara Rogers
