

UNIVERSITY HIGH SCHOOL

Application Procedures and Instructions for 2018-2019 School Year

Opening Date for Application Submission: Monday, January 8, 2018

Closing Date: Friday, February 2, 2018

All applications must be received in the UHS Office by 5 p.m. on Friday, February 2nd, 2018.

Thank you for your interest in University High School. University High School is committed to equity in its admissions process, and it is also required by state regulations to utilize a lottery to determine admission, if more applications are received than the Charter School has capacity.

Aside from residency in the state, there is one requirement for a student to meet:

1. All UHS students must take classes in music theory and be enrolled in musical ensembles for four years. Therefore, applicants should have a strong interest in vocal or instrumental music. UHS requires applicants to have two years of musical experience, but most importantly, we want students who are passionate about music. If you sang in the church choir, took music lessons or were taught music in school, your experiences can be used to show your interest in music.

Students are typically accepted during their 8th grade year for admission to the 9th grade. University High School admits students in the 10th, 11th, and 12th grades only as capacity permits.
