UNIVERSITY HIGH SCHOOL CODE OF CHARACTER

At University High School (UHS or School) we have established a unique and positive school environment. We come from a wide variety of backgrounds, cultures, beliefs and communities, to converge on California State University, Fresno campus to form one family. We learn together, play together, struggle together, and celebrate our successes together. We take pride in our academics, our performing groups, our extracurricular activities, and our sense of community. Our continued success and integration with the college campus requires a more mature behavior from us, and as such, we expect a higher standard of behavior from all students.

As a student I will be…

**Understanding** – and show compassion for all abilities, ethnicities, and beliefs.

**Honorable** – in all aspects of life (academics, extracurricular, and school functions).

**Studious** – and serious about academic endeavors, concerned about exams, assignments, and school projects.

I understand that if through my actions, I violate this code, I will be required to meet with a school official to discuss my behavior. Furthermore, I understand that there will be disciplinary consequences for infractions as outlined in the student handbook.

We are not your typical high school, we are University High School, and I am UHS.
UNIVERSITY HIGH SCHOOL ALMA MATER

UHS our song to thee
Ever in our hearts will be
Like the phoenix rising high
Our spirits soar across the sky
When the future fades to past
Knowledge gained will always last
Red and black and gold we’ll stand
And sing your praise
Throughout the land
Sons and daughters proud are we
All hail to University

Organizational Structure of University High School

**Fresno Unified School District**
- All charter schools must be authorized by a school district.
- FUSD is the current authorizer of UHS. FUSD is required to ensure that UHS and its Board follow its charter and all applicable state requirements.
- FUSD can revoke the UHS charter if UHS fails to follow its or other state laws, but its role is advisory in nature. FUSD has no fiscal control of UHS, no role in school governance, and does not have representation on the UHS Board of Directors.

**State of California**
- The State provides a set of guidelines and standards all schools are required to follow.
- The state also provides funding to UHS like all public schools. UHS receives an amount of money per student and must use this money to fund all school operations (traditionally UHS receives less money than the cost of the education we provide our students).

**California State University, Fresno**
- UHS traces its origins to the College of Arts and Humanities. UHS was conceived by Fresno State, but UHS is not housed in a fiscal or governance way in Fresno State. UHS’s relationship to CSU is defined in a series of operating agreements.
- CSU has leased the land for the school to UHS for 40 years, but the school must pay money to operate on the Fresno State campus.

**UHS Board of Directors**
- UHS is an independent, public charter school. The Board is the official governance body that ensures compliance with State and federal laws and the charter, and serves as an advisory board for UHS.

**Superintendent**
- Directs all school operations and serves as liaison to the Board and school community.

**Principal**
- Has primary responsibility for school discipline, technology, school data & facilities.

**Classified Staff**
- Development & Community Outreach
  - Manages all donations, volunteer network, annual fund, marketing, alumni network & guest writing.

**Certificated Staff**
- **Teachers**
  - 20 full-time, each subject credentialed.
- **Counselors**
  - Two counselors provide counseling services with a 250:1 ratio.

**Phoenix Alliance**
- Primary advisory, volunteer, & booster group for UHS. PA supports students and staff through its activities.

**Registrar**
- Treasurer of student achievement data.
- Input non student-graded history & keep transcripts current.
- Admissions
  - Dean of School with College class registration, independent study, students & Cal Pads.
- Responsible for student withdrawals.
- Primary banking depository for UHS & AOE.

**Office Manager**
- Oversees Office Clinical Staff.
- Administrative Assistant to
  - Head of School
  - Liaison to CFO, PA
- Development & UHS Board
- Responsible for
  - full-time, personal file management.
- Monthly
  - Charter attendance & lunch reporting.

**Chief Financial Officer**
- All financial duties including payroll, accounts payable, budgeting, reporting to
  - Federal, State & local agencies, presentation of financial information to
  - all stakeholders.

**Students of UHS**
- All students (approx. 480) have a common music experience and the desire to engage in a college prep program.
Fresno Unified School District
UHS is chartered through the Fresno Unified School District with the support of Superintendent Bob Nelson. The School Choice/Charter Office within Fresno Unified is the office that provides support and oversight.

Fresno State Staff and Auxiliaries
UHS is fortunate to be able to utilize much of the Fresno State campus. We are able to enroll students in college courses and to engage faculty, staff, and graduate students in ways that are mutually beneficial for UHS and CSUF. UHS contracts with CSUF for custodial services and landscaping and grounds maintenance. The CSUF Police Department is proactive and responsive to our security and safety.

UHS School Board
UHS is governed by its own Board of Directors. The Board of Directors are comprised of CSUF Members, Community Members and Parent Members. Board meetings occur the first Thursday of every month, with public sessions beginning at 3:00 pm unless posted differently. For specific dates and times of Board meetings visit our website.

Phoenix Alliance
Phoenix Alliance is a non-profit parent organization established to benefit, support, enrich, promote, and enhance the educational experience for our students. All our members are invited to come to meetings and participate/volunteer at our events. Phoenix Alliance supports and promotes events such as Magic of the Arts, spring fundraisers, Baccalaureate, and Sober Grad.

Parent Volunteers/Family Engagement
UHS has been successful due to the large number of parents and other family members who have enthusiastically volunteered in many ways: delivering school lunches and pizza, chairing open houses, obtaining donated refreshments, setting up furniture for meetings and concerts, hauling equipment, instruments and music stands, building sets, making props, obtaining furniture and props and sewing costumes for our musicals, arranging special treats for the students, faculty and staff, providing transportation for field trips, hosting and supporting fundraisers, writing grant proposals, notifying UHS of grants and corporate giving programs, and making unsolicited contributions in support of team activities and/or to our general fund. Parent volunteers are making outstanding contributions to the richness of our program. On a routine basis UHS will solicit volunteers through its volunteer network hub, but please be advised that volunteering is completely optional. As a small school parent support helps us to offer the activities and services of a large high school. Please don’t be afraid to get involved!
GENERAL POLICIES AND PROCEDURES

Non-Discrimination Statement
University High School does not discriminate against any student or employee on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

UHS adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (ADA), and the Individuals with Disabilities Education Improvement Act of 2004 (IDEIA).

UHS is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination in Employment Act of 1967; The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). UHS also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. UHS does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which UHS does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. UHS will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the UHS Uniform Complaint Procedures (UCP) Compliance Officer: Aaron Morgan, Vice-Principal (559-278-8263).
General Complaint Procedure
UHS has a policy for addressing complaints about instructional materials or school personnel. For complaints regarding instruction, the first recourse is for the student or parent to request a meeting with the teacher to discuss the problem. For complaints regarding school personnel, parents can contact or schedule a meeting with the counselor or Principal. Contact will remain confidential at parent request.

Uniform Complaint Procedure
UHS has the primary responsibility to insure compliance with applicable state and federal laws and regulations and has established procedures to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs and the charging of unlawful pupil fees.

UHS shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure (UCP) adopted by our Governing Board. Unlawful discrimination, harassment, intimidation, or bullying complaints may be based on actual or perceived characteristics of age, ancestry, color, ethnic group identification, gender expression, gender identity, gender, genetic information, physical disability, mental disability, medical condition, marital status, nationality, national origin, race or ethnicity, immigration status, religion, sex, sexual orientation, or on a person’s association with a person or group with one or more of these actual or perceived characteristics, in any UHS program or activity that receives or benefits from state financial assistance.

The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in:

- Foster and Homeless Youth Services
- Consolidated Categorical Aid Programs
- Child Nutrition Programs
- Special Education Programs
- Every Student Succeeds Act / No Child Left Behind Act (2001) Programs (Titles I-VII)
- Economic Impact Aid

A complaint of noncompliance with laws relating to pupil fees may be filed pursuant to the local UCP. A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:

- A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of
whether the class or activity is elective or compulsory, or is for credit.

- A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
- A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.
- A pupil fee complaint shall not be filed later than one (1) year from the date the alleged violation occurred.

Complaints of noncompliance with laws relating to pupil fees are filed with the Superintendent. A complaint regarding pupil fees may be filed anonymously if the complaint provides evidence or information to support an allegation of noncompliance with laws relating to pupil fees. Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

NAME: Mr. Aaron Morgan
TITLE: Vice-Principal
CHARTER SCHOOL: University High School
ADDRESS: 2611 E. Matoian Way, M/S UH134, Fresno, CA 93740
TELEPHONE: 559-278-8263

Complaints alleging discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying, unless the time for filing is extended by the Executive Director or his or her designee in writing.

Complaints will be investigated and a written Decision or report will be sent to the complainant within sixty (60) days from the receipt of the complaint. This sixty (60) day time period may be extended by written agreement of the complainant. The compliance officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with the School’s procedures.

The complainant has a right to appeal UHS’s Decision to the California Department of Education (CDE) by filing a written appeal within fifteen (15) days of receiving the Decision. The appeal must include a copy of the complaint filed with the School and a copy of UHS Decision.

Civil law remedies may be available under state or federal discrimination, harassment, intimidation, or bullying laws, if applicable. In appropriate cases, an appeal may be filed pursuant to Ed Code Section 262.3. A complainant may pursue available civil law remedies outside of UHS complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.
A copy of the UCP policy and complaint procedures shall be available free of charge in the Front Office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Superintendent.

**Homeless Students**

The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence due to economic hardship. It includes children and youths who (42 USC 11434(a)):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison: The Superintendent or designee designates the following staff person as the School Liaison for homeless students ((42 USC 11432(g)(1)(J) & (e)(3)(C).):

**NAME:** Geni Bird

**ADDRESS:** 2611 E. Matoian Way, M/S UH134, Fresno, CA 93740  
**TELEPHONE:** 559-278-8263

The School Liaison shall ensure that (42 U.S.C. 11432(g)):

1. Homeless students are identified by school personnel and through coordination activities with other entities and agencies.
2. Homeless students enroll in, and have a full and equal opportunity to succeed at UHS.
3. Homeless students and families receive educational services for which they are
eligible, including services through Head Start programs (including Early Head Start programs) under the Head Start Act, early intervention services under part C of the Individuals with Disabilities Education Act, any other preschool programs administered by UHS, if any, and referrals to health care services, dental services, mental health services and substance abuse services, housing services, and other appropriate services.

4. Parents/guardians are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.

5. Public notice of the educational rights of homeless children is disseminated at places frequented by parents or guardians of such youths, and unaccompanied youths, including schools, shelters, public libraries, and soup kitchens, and in a manner and form understandable to the parents and guardians of homeless youth and unaccompanied youth.

6. Enrollment/admissions disputes are mediated in accordance with law, UHS charter, and Board policy.

7. Parents/guardians and any unaccompanied youth are fully informed of all transportation services, as applicable.

8. School personnel providing services receive professional development and other support.

9. The School Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youths.

10. Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent students under section 480 of the Higher Education Act of 1965 and that the youths may obtain assistance from the School Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid described in section 483 of the Act.

For any homeless student who enrolls at UHS, a copy of the school’s complete policy shall be provided at the time of enrollment and at least twice annually.

**Free and Reduced Price Meals**

UHS participates in the National School Lunch Program. Applications for free or reduced price meals are included in the first day packets to all families and can also be obtained on the School website and in the main office. All families are encouraged to complete the
application form in order to include as many eligible students as possible.

Emergency Card
Each student must have an Emergency Card on file in the front office. Should a student become ill or have an accident during school hours, the student MUST report to his/her teacher or other staff member immediately to be accompanied to the office so that a staff member can make the necessary contacts. In the event of an emergency, parents/guardians will be the first contact made. If contact with a parent/guardian can not be made, staff will contact the individuals listed in order as they appear on the student’s emergency card. Only persons whose names are listed on the student’s Emergency Card will be permitted to take that student from school.

Immunizations and Physical Examinations
To ensure a safe learning environment for all students, UHS follows and abides by the health standards set forth by the state of California. Students will not attend school until all required records have been received. The immunization status of all students will be reviewed periodically. Those students who do not meet the State guidelines may be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the School.

Closed Campus
Once students arrive at UHS they are to remain on the CSUF Campus in the immediate vicinity of UHS classrooms or on their way to or from classes in CSUF buildings. UHS students are not to congregate or loiter in CSUF buildings, even if they are attending a class in a CSUF building. Students are allowed to visit the following areas at appropriate times: Student Union, Library, and Residence Dining Hall. The Recreation Center in the Student Union is off-limits. Junior and Senior students in good standing and have a double lunch period are allowed to go to Campus Pointe. The privilege of going to the Student Union, Campus Pointe and the Library is extended to UHS students in good academic standing and with no disciplinary sanctions. Students who are found elsewhere on campus or who leave campus without prior permission from school authorities shall be subject to disciplinary action. [See Discipline Policy and Specific Discipline Violations]

Facilities Usage
Students are given access to the computer lab, fitness room, vending machine area, and music practice rooms. This access is a privilege, not a right, and will be revoked if abused. All students are expected to treat these areas as they would treat their own homes with respect and care.

Computer Lab
The computer lab is open during school operating hours except when reserved by teachers and other school staff. Rules for the computer lab include: no food or drinks, no gaming, no sitting on the computer tables, do not change any system settings, do not tamper with
computer accessories (i.e. keyboard, mouse, keyboard covers, etc.), headphones are required, printing is allowed only for class assignments, and courtesy is expected in this shared workspace.

Solicitation
Students are not allowed to solicit, fundraise or sell things for personal gain to other students or staff members on campus, nor post flyers or posters without Associated Student Body (ASB) approval.

UHS Photo ID
Students will be issued a UHS/CSUF photo ID, or “Key Card,” which serves to identify our students to CSUF personnel and is a student ID card for attending UHS and other high schools’ activities. A student number is encoded in the magnetic strip on the card for borrowing books from CSUF Henry Madden Library. There is a small replacement cost for a lost card. If a student transfers to another school, the UHS Photo ID card is the property of CSUF and must be returned to the UHS front office upon checking out.

CSUF Traffic Flow and Parking on Campus
All parking at CSUF requires a permit, except at meters or designated short-term parking. Parking is checked frequently. Cars which are in violation of parking regulations will be cited. If you receive a campus citation and do not respond within the allotted time, it will become a City of Fresno offense. CSUF Parking Regulations are available at:
http://fresnostate.edu/adminserv/police/traffic/index.html
A map of the CSUF campus is in the back of this handbook to assist you in locating appropriate parking and the student morning drop-off and afternoon pick-up areas near UHS. A CSUF map is available through a link on the parking webpage, or directly at:
http://www.fresnostate.edu/map/

Student Drop-off and Pick-up:
1. Drivers may not impede the flow of traffic on campus streets or in parking lots.
2. From Maple Avenue: There is a student drop off and pick up area along Matoian Way. There is also a roundabout on the west side of the UHS campus just south of the Joyal Administration building.
3. No pick up or drop off is permitted in the back P4 parking lot behind UHS.

Visitor Parking:
1. Short stops at UHS:
   a. There are two 20-minute parking stalls west of the UHS administration office in the roundabout in addition to three visitor parking stalls on the east end of
b. There is metered parking in Lot P1 and Lot P2. Bring change for the meters.

2. Longer visits: A 1-day pass may be used in any General Parking area (green areas such as lots P1 and P2). These may be purchased at the kiosk machines at campus entrances or in front of the campus police station (see campus map on back cover).

3. For most UHS events, free parking is available. Parking codes if available will be located in the daily bulletin. To obtain the free parking permit, take the code listed in the daily bulletin to any parking kiosk and park in the appropriate lot listed on the permit.

UHS Student Parking:
UHS students may purchase parking passes to use in General Parking areas (see map or web site) for the same fee as CSUF students and must follow all the regular campus parking rules and regulations. Parking on campus is a privilege, which may be revoked at any time. Students may also find on-street parking near the campus. All parking is at your own risk. UHS is not responsible for loss or theft of items left in your car. After arriving on campus, students are to proceed directly to school. Students are not to loiter in the parking lot or enter their vehicles during school hours without permission.

Visitors
All visitors must be approved beforehand by the Principal or an administrator before their scheduled visit. All visitors must report to the office on the day of their visit to obtain a Visitor Pass to present to teachers or other authorities. Visitors who intentionally disrupt the learning environment may be asked to leave and/or lose their right to visit for a period of up to 14 days.

Cancellation of Classes
UHS classes will be canceled if, and only if, CSUF classes are officially cancelled due to weather or other hazardous conditions. The safety of our students is paramount. Please call the UHS office if weather or other factors will delay arrival at school.

Campus Emergencies
UHS adheres to the CSUF Comprehensive Safety Plan. Should a campus-wide emergency occurs, CSUF officials will check each classroom on campus, including UHS classrooms, to be sure everyone is alerted and that appropriate procedures are being followed. The evacuation areas for all UHS students are Parking Lots C and V on the southeast corner of the CSUF campus. General information on CSUF emergency procedures is available at: http://www.fresnostate.edu/adminserv/police/index.html

Campus Emergencies - Parent Expectations
Parents, students, teachers and staff of UHS all undergo training in emergency preparedness which includes communication plans with you if there is an emergency or potential threat on campus. If there is an emergency or potential threat on campus you may
be hearing from either UHS or CSUF Police as soon as we can reasonably contact you with accurate information. In most cases your student’s phone numbers have been added to Fresno State’s Bulldog Alert which is a text-alert system. This means if there is an emergency or potential threat, CSUF may text your student’s phone directly, alerting them to the perceived danger so they will know, even before you may become aware.

If such an event ever required you to pick-up your student please enter the campus via Maple or Woodrow Avenue following the standard entrance and exit routes according to the maps shared by the school, unless you are notified otherwise.

Please understand that in the event of an emergency your student could conceivably be on the CSUF campus but not on the campus of UHS. And, while we will make an attempt to locate all our students and check on their safety, some students in an emergency may not be immediately reachable by us.

**Work Permits**

Work permits are available in the UHS front office. The work permit forms must be filled out by the employer and returned to the UHS front office. The front office will process the work permit form and issue the student an official work permit. Students on the Academic Ineligibility (AI) list will not be granted a work permit. Students may have their work permit revoked if placed on the Academic Ineligibility (AI) list. Please see the office assistant for details.

**Child Find/Special Education and 504**

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (IDEIA), Education Code requirements, and applicable policies and procedures of the Fresno County Charter SELPA. These services are available for special education students enrolled at the School. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. The School collaborates with parents, students, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

The School also recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the School. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Superintendent. A copy of the School’s Section 504 policies and procedures is available upon request.
ATTENDANCE POLICIES AND PROCEDURES

Daily attendance and participation in each class is a critical part of the learning process. Regular attendance in school is a positive example of proper behavior in the world of work. UHS policies and procedures are designed to help students learn responsibility and increase their potential for success, along with being aligned with the Education Code that mandates a student under the age of 18 years old must attend school on a regular and continual basis. Attendance is taken in every class, every day. Parents may review their student’s attendance records at any time through PowerSchool.

Truant, unverified, unexcused, excessive excused absences or tardies affect the student’s education and increase the chances of failure. UHS is a school of choice. If a student does not attend UHS on a regular basis, they may be asked to consider enrollment in alternative public or private school options. Parents will receive notification via letter or phone call home about the poor attendance of their student per the SARB policy. See SARB section below.

Absence
All absences must be cleared by a parent or guardian. Parent/Guardian should call on the day of or the day before to notify the attendance office that the student will be absent from school. A parent/guardian may also email a student absence uhsattendance@gmail.com. Students who are returning to school after a single period/multiple period absence or are tardy are to report to the office before going to class. All absences and tardies must be supported by a note, a phone call or email from a parent/guardian in order for an absence to be excused.

Excused Absences
Absence from school shall be excused only for health reasons, family emergencies and justifiable personal reasons, as permitted by law or Board policy.

A student’s absence shall be excused for the following reasons:
1. Personal illness;
2. Quarantine under the direction of a county or city health officer;
3. Medical, dental, optometric, or chiropractic appointments;
4. Attendance at funeral services for a member of the immediate family:
   a. Excused absence in this instance shall be limited to one day if the service is conducted in California or three days if the service is conducted out of state.
   b. "Immediate family" shall be defined as mother, father, grandmother, grandfather, spouse, son/son-in-law, daughter/daughter-in-law, brother, sister or any relative living in the student's immediate household.
5. Participation in religious instruction or exercises in accordance with Charter School policy:
   a. The student shall be excused for this purpose on no more than four school
days per month.

In addition, a student’s absence shall be excused for justifiable personal reasons such as:

1. Appearance in court;
2. Attendance at a funeral;
3. Observation of a holiday or ceremony of his/her religion;
4. Attendance at religious retreats for no more than four hours during a semester.
5. Attendance at the pupil’s naturalization ceremony to become a United States citizen.

School Attendance Review Board (SARB)

Parents are required by law to see that their children attend school according to the mandatory attendance laws of the State of California. Truancy is defined as three (3) or more unexcused absences from school, or tardies of more than 30 minutes, within a single school year. A habitual truant is defined as six (6) unexcused absences or tardies without a valid excuse. Students classified as habitual truants will be subject to the following procedures:

1) A parent will be notified via phone call, letter, or meeting of the excessive absences after 8 absences.
2) A parent will be notified a second time of the continued excessive absences when the number of absences reaches twelve. This notification may be via a phone call or letter from the UHS administration to the parent to discuss the student’s poor attendance.
3) Following the second notification, a meeting between the student, parent, and UHS counselor/administrator may take place to create a plan for improved attendance on the part of the student; the student may be placed on a contract and alternative school placements may be discussed with the student to provide a more convenient access for the student to attend school.
4) **If a student violates an attendance contract, or the Student reaches a total of 15 unexcused absences or tardies, a student/parent meeting will be held and the student may be released to their home District of Residence.**
5) If a child’s attendance does not improve after an attendance contract has been developed according to the procedures above, or if the parents fail to attend a required team meeting, the Charter School shall notify the District’s Attorney’s office, which then may refer the matter for prosecution through the court system. Students 12 years of age and older may be referred to the juvenile court for adjudication.

10 Day Absence Policy

If a student is absent for 10 days in a row without prior notification to the office and the parent/guardian of the student has been non-responsive, the student may be dropped from UHS and will need to enroll at the school in their attendance zone or another charter school.

15-Period Absence Policy

Board Approved: 5/3/2018
Board Amended: 12/20/2018
Board Amended: 4/4/2019
No credit for the semester will be given to students whose total absences exceed fifteen (15) periods per semester in any one class without administrative approval. Because PE/Musicianship meets every other day, students are only permitted 8 absences in each of these classes. Parents will be notified if their student reaches 10 absences in any class during the semester. Absences for school-related functions will not be included in the 15-period count.

No Note Policy
Absences must be cleared by the following school day, either by note, email or phone call from a parent/guardian. Medical or dental appointments must be supported by written documentation from the office of the provider. Students whose absences are not cleared will be considered truant and will be assigned lunch detention. They may also be subject to further disciplinary action.

Attendance on School Activity Days
Students must be in attendance a minimum of four (4) periods on a given day in order to participate in school activities such as dances, plays, performances, etc. on that day.

First Aid and Illness
If a student becomes ill or injured while at school, he/she will receive care and consideration. Parents/guardians will be contacted for injuries of a serious nature or if a student is too ill to remain at school. If the student needs to go home for an injury or illness the front office will contact the parent/guardian.

If your child has ONE of the following, he/she should be kept at home:
   a.) Illness with a fever of 100.0 or greater.
   b.) Illness that affects your child’s ability to participate in class.
   c.) Vomiting and/or diarrhea.
   d.) Fever of 100.0 or greater within the last 24 hours.

Immunizations (No Shot, No Admittance)
All students entering Intermediate and High School must meet all current California Immunizations and Tuberculosis (TB) requirements for schools. Information can be found at www.shotsforschool.org

Administering Medication to Students
Medication at School Forms are available in the UHS Front Office. Any student needing medication during the regular school day and field trips, etc. must comply with both of the following:

The student’s authorized health care provider must provide a written statement specifying the medication the student is to take, the dosage, and the period of time during which the medication is to be taken as well as detailing the method, amount, and time schedule for taking the medication, AND
The student’s parent/guardian must provide a written statement initiating a request to have the medication administered to the student or to have the student assisted in the administration of the medication in accordance with the authorized health care provider’s written directions.

- These statements must be returned to the UHS office
- The medications are to be held in the UHS office
- Each administration will be logged by UHS office personnel

Asthma/Epinephrine Auto-Injector Medication Recommendations
Students needing to carry inhalers and EpiPens must have written authorization from a physician. Students with asthma allergy are strongly encouraged to always carry their inhaler/EpiPen with them. Medication orders must be on file with the office.

Tardy Policy
Students must report to the office and sign in when they are tardy to class. Students who are tardy due to medical or dental appointments will be given an “excused tardy”, provided that the student has a note from the doctor’s office or the parent has called, emailed, or sent in a note with the student. Students who oversleep, have car problems, experience traffic problems, etc. will be given an “unexcused tardy”. Students who arrive to class more than 10 minutes after the class has begun will be marked as “late”. Any student that arrives to class more than 30 minutes after the class has begun will be marked as “unexcused”, unless there is a valid excuse (i.e., doctor appointment). Tardies will be reported via PowerSchool to the office and will be cumulative for all classes.

UHS does not have a bell system. Students are expected to keep track of time and to be on time for classes and other commitments. Students must be in their assigned classroom at the start of each period. Teachers may establish their own consequences for tardy violations, principally that students owe the teacher at the beginning of the lunch period the number of minutes the student was tardy.

Consequences for reported tardies during each grading period

- **Fourth Tardy:** assigned to one day of lunch detention.
- **Fifth Tardy:** assigned to one day of lunch detention and/or an Honor Code Essay to be turned in to the Principal by the following day.
- **Sixth Tardy:** assigned to one day of lunch detention.
- **Subsequent Tardies:** students will be assigned one hour of community service per each tardy after the 6th tardy. Parents will be contacted, and students will be placed on the AI list until the community service hour(s) have been completed under the supervision of the Principal.

Miscellaneous Attendance Issues
Leaving School During the Day
Students leaving school must be signed out in the office by a parent or guardian or any adult listed on the Emergency Card. Even if a parent or guardian has sent a note, email or called ahead to give permission for a student to leave, the adult picking up the student must come to the Office and sign the student out. If a student leaves without following this procedure, he or she will be subject to disciplinary action. On their return, students must report to the office to sign in before returning to class.

Performing Group Rehearsals
Rehearsals of music groups at UHS are classes, not extracurricular activities. They are an integral part of the UHS curriculum. Students and parents are reminded that attendance at a rehearsal is as important as attendance at any class. Rehearsals are classes.

Missing Class to Make an Appointment
Students are not to miss class to make appointments with school or university staff except in an emergency. Students are to make appointments before school, during breaks or lunch, or after school. If an appointment conflicts with class time, the student is to report to the class before keeping the appointment.

Missed Assignments Due to Absence

Assigned Work Missed Due to Illness or School Activity
The general policy regarding assigned work turned in late due to a student’s missing school because of illness is as follows: For each day the student misses for an illness or school activity, the student is allowed one day to make up the missed work. For example, a student is ill for three days, Tuesday, Wednesday and Thursday, and returns to school on Friday. The student will have three school days, Friday, Monday and Tuesday, to catch up on the missed assignments.

Deadlines for Long-Term Assignments
The above policy does NOT apply to long-term assignments, that is, a project or report or work with a deadline more than a week from the date the assignment is given to the students. The rationale for this policy is to strongly encourage students to begin work on a long-term assignment as soon as it is given, to complete a significant amount of work each day, and not to wait until the last minute. For example, a project is assigned on September 10 that is due on September 25. A student becomes ill on September 24 and 25. This student does NOT get a two day extension of the deadline. The project is to be submitted ON TIME by a parent or family member or classmate. The ONLY exception to be considered is under special circumstances when a parent (or guardian) meets with the teacher in person and in advance of the deadline to work out a new deadline.

Independent Study
If a student knows in advance that he or she will miss five (5) or more days of instruction
due to a parent request, it is possible for the student to make arrangements to work independently. The rules for Independent Studies are very strict because they earn state funding for the school for the days the student was absent from school.

To abide by the letter of the regulations, Independent Study work is to be done outside of school following as closely to the same assignments and schedule as the student would follow if he or she were in school. Independent Study is not to be done outside of regular school hours such as during evenings or weekends. Independent Study is “school away from school.” The process is detailed below:

1. The student and parent meet with the Registrar and she will give them the Independent Study Contract to complete and sign. The Registrar will go over the independent study procedures with the parent and student at that time.
2. The Registrar will make copies of the Independent Study Forms (along with a memo) needed at that time and distribute to the teachers. The Registrar will also inform the Attendance Clerk with a memo letting her know the student is going on independent study and the dates the student will be gone. The Attendance Clerk will code the student’s attendance as I.S.
3. The teachers will give the necessary work assigned and instructions to the student.
4. When the student returns, the Registrar will then give the teachers the additional forms needed to complete and return to her with their grade and additional signatures. The Registrar will make a copy of the work completed and the student log completed, and wait for the additional forms completed back from the teachers.
5. After the Registrar receives the final forms completed by the teachers, she will contact the Supervising Teacher to sign-off on the Independent Study Forms.
6. If the student didn’t complete the Independent Study Contract, the Registrar will inform the Attendance Clerk to re-code the student’s attendance from I.S. to unexcused.

+ Grade 9 students who have completed an Advanced Common Core 8, Math 1, or Integrated Mathematics I equivalent course in Grade 8 with a B or better.

# Grade 10 students who have completed Geometry in Grade 8 with a B or better. Or, Grade 10 students who completed Integrated Mathematics II in Grade 9 at UHS.

^Enrollment in an AP math course is appropriate after the completion of Advanced Mathematics.

**Math 77 and Math 81 are recommended for students who complete and pass the College Board AP Exam for AP Calculus BC before Grade 12.

**Enrollment in Math Courses at UHS**

UHS is very concerned that students are enrolled in the math course in which they will most likely find success. Students are placed in math courses based upon previous math courses that are taken and completed. All students take an assessment test prior to enrolling in a future math course to help determine their appropriate math course placement.

**Winter and Spring Session Courses**

The UHS Winter and Spring Sessions are an integral part of the UHS curriculum, and attendance is MANDATORY (although there are exceptions for senior students that have met all graduation unit requirements). Students are expected to complete 2 classes in each of the 2 Elective Sessions each year. Because a student may need extended academic
work to pass a regular semester course or because of summer school conflicts, exceptions may be made.

The required minimum for elective courses is 30 units.

**Class Designations**
Students are grouped into four classes according to the following:
- Freshman = 0 - 65 credits
- Sophomore = 65+ credits
- Junior = 140+ credits
- Senior = 206+ credits

**A minimum of 269 credits are required for graduation.**

**Class Standing at UHS**
Before entering high school, students progress to the next grade level unless seriously deficient in meeting learning objectives. At the high school level students must earn graduation credits. Failing a class means that the credits are not earned. The class must be made up either in summer school, or by repeating the class the following year, or through an approved online course by their school counselor.

**Community Service Requirement**
All students are asked to perform at least ten hours worth of community service per semester. A total of 80 hours of community service is required over the course of four years. Students will log their volunteer hours on forms that are located in the office. Completed forms need to be turned in to the office, where those hours will be recorded. UHS defines community service as work that specifically benefits the larger community outside of our normal family and friend relationships, without any material or grade compensation received in return.

**California Assessment of Student Performance and Progress (CAASPP)**
The School shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress.) Notwithstanding any other provision of law, a parent’s or guardian’s written request to School officials to excuse his or her child from any or all parts of the state assessments shall be granted.

**Participation in Graduation Ceremonies**
Seniors must meet at least the minimum of 269 credits and complete all requirements of the State of California and UHS in order to participate in the graduation ceremonies.

**Add/Drop Policies for University High School Classes**
In semester courses, students may add and drop courses up until the 2nd week of instruction of the class only if space permits. These changes will only be accommodated with a completed schedule change form.
Schedule changes will only be made for the following serious and compelling reasons:
1. A documented medical condition.
2. To correct a schedule conflict or to complete an incomplete schedule.
3. To act upon teacher or administrator recommendation regarding student placement.

Students who wish to add or drop a CSUF course must first see their counselor for approval.

After the 2nd week of school, no adds or drops are allowed unless requested by the teacher.

After the 2nd week, students may only drop courses after petitioning the Principal or Counselor to drop for compelling reasons.

During the Winter and Spring Session of elective courses, course changes must be completed before the course begins. Because of the condensed nature of these courses, full credit cannot be given for changes made after the course begins.

**College classes**

Students at UHS are enrolled in several CSUF classes as part of our curriculum. The potential of earning a year of college credit while attending UHS is one of the incentives for coming to UHS. The vast majority of UHS students do well in these classes. However, it is important to emphasize that every CSUF class is entered on a CSUF transcript as well as the UHS transcript. That college transcript remains as a record of the student’s work at the college level.

The college classes included in the UHS curriculum are: History 20 and History 21 for sophomores, Biology 10 and Biology 12 for juniors, as well as a minimum of two semesters of the same foreign language (following Latin I and II), taken in either junior or senior year. Senior year features an Computer Science class. For accelerated students, additional pre-approved college courses are possible. The maximum allowable college units per semester is 8. The deadline for UHS students to enroll in a college course for the next semester is usually right after the start of the current semester. Freshmen are not permitted to enroll in college classes at CSUF and sophomores are limited to History only.

Privacy policies at the college preclude CSUF instructors and administrators from informing anyone but the student as to his or her grade or progress in a course. UHS has NO AUTHORITY over CSUF faculty or special access to them. It is the responsibility of each student to keep the syllabus describing college course requirements and detailing how the grade is determined. It is the responsibility of the student, not UHS or a parent, to contact an instructor in a CSUF course via email or telephone or during office hours. If a student has difficulty in finding resolution, the Principal or designee will assist on his or her behalf.
Instructional Materials Needed for CSUF Classes
UHS urges students to purchase the textbooks and/or other instructional materials needed for courses taken at CSUF. In cases of financial need, UHS will supply these materials, but they then belong to UHS and must be returned to UHS in good condition for use by other students.

Dropping or Withdrawing from a College Class
Students who must drop a CSUF class must file the change with both UHS and CSUF before mid-September. The spring course drop date is typically the 2nd week of February (the exact add/drop deadlines will be posted on the CSUF website http://www.fresnostate.edu/studentaffairs/registrar/registration/add-drop-deadlines.html ). After this date classes may only be dropped for “serious and compelling reasons.” A failing grade does not constitute a serious and compelling reason. See the CSUF Class Schedule for more information.

If a UHS student determines that he or she is enrolled in a CSUF class in which he or she is likely to receive a grade below a “C”, it is the responsibility of the student to know and to follow the CSUF procedures and deadlines to drop the class. The CSUF instructor cannot drop the student from a class. UHS cannot drop the student from a class. During the first two weeks of classes, a student may drop the course on their myfresnostate account, and the class will not appear on the student’s CSUF transcript; the UHS Registrar must also be notified. Once this deadline passes, a student may still be dropped from a class by obtaining signatures from the instructor and the dean of the college on an Add/Drop form and then submitting the signed form to the CSUF; the UHS Registrar must also be notified in advance. Once this second deadline has passed, a student may not drop the class except for serious and compelling reasons. As previously noted, a failing grade does not constitute a serious and compelling reason. Failing to follow these procedures and ceasing to attend classes will result in a student’s transcript showing a grade of Withdraw/Unauthorized (WU) which is entered in the college records as an “F” grade.

College Disqualification
UHS students who perform poorly in college classes (receiving grades of “D” or “F”) may be disqualified from enrolling in further college classes and will jeopardize admission to any CSU or UC.

Enrolling in Non-UHS Classes
After completion of grade 8, students who wish to enroll in non-UHS summer school courses at other high schools, or students who wish to enroll in evening or weekend courses outside of UHS during the course of the school year cannot take courses in lieu of required UHS graduation classes for original credit. Counselor approval to enroll in non-UHS classes required for graduation may be granted for students under the following conditions: (1) hospitalization or prolonged health issues, (2) taking a semester abroad, (3) academic concerns related to the ability of the student to graduate on time with his/her class.
Course approval forms are available in the Counselor’s office. Students wishing to enroll in summer school courses at other high schools and colleges or students wishing to enroll in evening or weekend courses outside UHS MUST obtain written approval IN ADVANCE from their academic counselor. If this is not done, UHS credit may not be granted. Other high schools and colleges DO NOT notify UHS of grades. It is the responsibility of the student to bring a report card or transcript to the UHS office within 60 days of completion of an approved course to be given UHS credit. Courses taken without approval in advance may not be accepted for UHS graduation credit.

**Accelerated Course Credit**
A UHS student who completes the highest level course offered in one or more of the UHS curricular areas in advance of the normal pace (for example, completing Calculus as a freshman, sophomore or junior) is expected to continue to enroll in appropriate courses in that subject area at CSUF or to present a petition to the Superintendent to consider an alternative sequence of elective courses.

It is possible for a student to over-elect by participating in multiple performing groups and/or dramatics all four years. Some students may also choose to take additional, pre-approved summer school and/or evening courses at area colleges. However, any additional non-augmented/non-weighted courses (such as extra performing groups) taken that are not needed to meet graduation requirements will not be factored into the GPA unless the student is below a 4.0 GPA. Students’ grades will not drop if extra classes are taken.

**Class Rank**
UHS does not use class rank to distinguish students.

**Grades**
Teachers establish the grading standards for each of their own courses. In general, grades are reported as a percentage of possible points as follows: A = 90% or better, B = 80-89%, C = 70-79%, D = 60-69%, F = 0-59%. Please consult the individual teacher’s syllabus for the actual grading scale and policies used in each course.

**Incomplete Grades**
Students that receive an incomplete grade from a teacher at the end of a semester have up to six weeks to make up their grade. If not completed in that time frame the teacher will factor in zeros for the missing work.

**Grade augmentation**
Students enrolled in Advanced Placement (AP) or CSUF courses will receive 5 grade points for a grade of “A”, 4 grade points for a grade of “B”, and 3 grade points for a grade of “C”. A grade of “D” is not augmented and receives 1 grade point. A grade of “F” receives no grade points.
Transfer students will not receive grade augmentation for any coursework from their previous school, other than AP coursework.

“D” grades
Although a “D” earns high school graduation credits, UC and CSU do not accept classes passed with a “D” in A-G required courses. Unless a student is planning to start his or her college career at the community college level or at a private college that accepts “D” grades, students receiving a “D” in a class will need to make up for that class in summer school or by repeating that class the following year, or by taking an online course approved by their school counselor.

Course Credit - Miscellaneous
If a student retakes a course, the grade for both attempts will be included in the student’s transcript. The higher grade will be used to calculate the student’s GPA.

Students enrolled in UHS who have successfully completed Geometry or Advanced Math courses before completing grade 8 will have these courses shown on their UHS transcript. A course taken after grade 8 at another institution or college will not be shown on the UHS transcript unless the course is taken to remediate a UHS course.

Coursework completed at UHS is transferable to all public high schools. The Counselor and Registrar are available to assist students who choose to transfer to another high school.

Cal Grant Program Notice
UHS is required by state law to submit the GPA of all high school seniors by Oct. 1 of each year, unless the student over age 18 or parent/guardian for those under 18 opt-out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the Student (or Parent, if the Student is under 18) has opted out before the GPA’s are submitted each year.

Book Fees
Failure to turn in class textbooks when requested by your teacher will result in students having to buy a replacement textbook or pay UHS for it. At the end of the school year if a student has not found their textbook or paid for it then they will be placed on the Academic Ineligibility (AI) List at the beginning of the school year preventing them from participating in certain school activities. Seniors that owe book fees at the end of their senior year will not be able to participate in the graduation ceremony.

Academic Support Center
The Academic Support Center (ASC) is a student tutoring center available to all UHS students. The ASC is located on the campus of UHS and is open Monday through Thursday, 3 pm to 5 pm. Within the ASC there is at least one student tutor and teacher available to assist students with the different subject areas taught at UHS. This is a quiet place for students to work and to receive some extra help, if needed.

Board Approved: 5/3/2018
Board Amended: 12/20/2018
Board Amended: 4/4/2019
Academic Ineligibility Policy
The Academic Ineligibility (AI) list is created after the first progress report in the fall semester. Students are put on the AI list if they have below a 2.0 GPA and/or an “F” in any class. Every two weeks during that grading period, a new list will be generated for the remainder of the semester/year. However, students will get a 2 week grace period (i.e. probation) before they are on the official AI list. If, after 2 weeks, they still have below a 2.0 GPA and/or any “F” grades, they will be placed on the AI list. Basically, there will be two lists – AI Probation list and AI list. Students placed on either the official AI list or AI Probation list will be removed if they improve their academic grades and GPA.

Academic Intervention
In addition to the existing policies to help students whose academic performance is below expectation, the following academic interventions will be implemented:

If a student has 2 or more failing grades, the student will be recommended a peer tutor to receive extra help.

A Student Study Team (SST) meeting may be recommended to help the student be more successful academically. An SST plan may include private tutoring, lunch tutorials with teacher, or other measures which might be a more efficient use of student’s time and effort for the affected classes.

Students who are not on track to graduate on a 4-year plan from UHS may be placed on a contract with their counselor.

Students who are not successful after the academic interventions have been attempted will be asked to move to another school where they have a better chance of academic success.

Academic Probation
Students who fall below a 1.5 GPA at the end of a semester will be placed on academic probation for the following semester. If they fall below a 1.5 GPA for a second semester, they will be asked to leave UHS.

Health/Sex Education
Students are strongly encouraged to enroll in Life Skills during either the Winter or Spring Sessions. At the parent/guardian’s request, any student may be excused from any part of instruction in health/sex education. Parents/guardians shall be notified in writing before students are offered any instruction in which human reproductive organs and their functions, processes, or diseases are described, illustrated or discussed. This notification shall inform parents/guardians that they may request in writing that their child not attend the class(es). All materials used for the above instruction shall be made available for inspection.
Pupil Records, including Challenges and Directory Information (FERPA)
The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older (eligible students) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student's education records within 5 business days after the day the School receives a request for access. Parents or eligible students should submit to the School principal or designee a written request that identifies the records they wish to inspect.

   The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

   Parents or eligible students who wish to ask the School to amend a record should write the School principal or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the School discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception, which permits disclosure without consent, is disclosure to School officials with legitimate educational interests. A School official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the School board. A School official also may include a volunteer or contractor outside of the School who performs an institutional service of function for which the School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another School official in performing his or her tasks. A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:
   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student —

1. To other School officials, including teachers, within the educational agency or institution whom the School has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1)).

2. To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).

3. To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student’s State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35).

4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4)).

5. To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7)).
6. To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8)).
7. To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9)).
8. To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10)).
9. Information the School has designated as “directory information” under §99.37. (§99.31(a)(11)).

Directory Information
Directory Information is information that is generally not considered harmful or an invasion of privacy if released. Directory information can be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish year books. The School has designated the following information as directory information:

1. Student’s name
2. Student’s address
3. Parent’s/guardian’s address
4. Telephone listing
5. Student’s electronic mail address
6. Parent’s/guardian’s electronic mail address
7. Photograph
8. Date and place of birth
9. Dates of attendance
10. Grade level
11. Weight and height of members of athletic teams
12. Degrees, honors, and awards received
13. The most recent educational agency or institution attended
14. Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student’s social security number, in whole or in part, cannot be used for this purpose.)

If you do not want the School to disclose directory information from your child’s education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please notify the Superintendent at: 559-278-8263.

Academic Awards

Principal’s Honor Roll
Students will be awarded principal’s honor roll for each semester they earn a 4.0 unweighted GPA (straight A’s).

Honor Roll
Students who have earned a GPA of 4.0 or above but did not earn all grades of an “A”. This is possible due to college courses and Advanced Placement (AP) classes.

California Scholarship Federation (CSF)
This is a statewide honor society to which a student must apply for membership each semester of eligibility. Students who earn 4 semesters of membership in the sophomore, junior, or senior years, with one of the four semesters coming in the senior year, are eligible for life membership in CSF. Life members receive a gold cord to be worn at graduation, and a CSF Life Member seal is placed on the diploma. An application with a complete list of eligibility criteria and accepted classes is available from the CSF advisor. Students normally have about three weeks at the beginning of the semester to apply for CSF membership based on the previous semester’s grades.

Academic Letters
Students may be awarded an academic letter for outstanding participation on competitive teams, for outstanding contributions to musical or dramatic performing groups, and for leadership in student activities. Criteria have been established by advisors or directors, who may be consulted for details.

Achievement Awards Ceremony
UHS holds an annual Achievement Awards Ceremony in late spring to recognize students for their accomplishments of the year. Parents and guardians of the students being recognized are invited to the ceremony.

EXTRACURRICULAR ACTIVITIES
UHS sponsors a large number of activities, clubs and competitions. Most of these extra-curricular activities meet during the lunch period once or twice each week. Some advisors find they must schedule meetings on evenings or weekends, especially for competitive events. Most competitive teams meet during the fall semester, concentrate their efforts during the Winter Session, and meet more frequently as competition dates approach.

Student Clubs
Clubs and Activities that are typically available to students each year at UHS are: Academic Decathlon, Associated Student Body (ASB), California Scholarship Federation (CSF), Creative Writing Club, Cross Country, Drama Club, Food Club, GSA Club, Interact Club, L.I.F.E., Math Team, Mock Trial, Neurodiversity Club, Peer Mentoring, Red Cross Club, Science Bowl, Science Olympiad, Ski Team, Indoor Soccer, Speech and Debate Team (Forensics), Travel Club, Volleyball, Basketball, Dodgeball, and Yearbook.

New Clubs
To start a new club, students must:
   a) Talk to the Activities Director to receive a new club application package.
   b) Find a faculty advisor and determine a club meeting time and location.
   c) Form a mission statement and develop a budget for the club.
d) Submit a new club application package (application, mission statement, and budget) to ASB for consideration

Once an application has been accepted, the club must elect officers and have a representative attend ASB meetings. Any club not adhering to these guidelines will not be considered an official club of UHS, and any funds from that club will be absorbed by the ASB.

Associated Student Body and Class Clubs

Associated Student Body (ASB) Responsibilities:
   Spirit Week, Winter Formal Dance, Spring Field Day
Senior Class Club Responsibilities: Ice Breaker Activity, Grad Nite, Graduation
Junior Class Club Responsibilities: Prom, Fundraising
Sophomore Class Club Responsibilities: Harvest Dance, Fundraising
Freshman Class Club Responsibilities: Sadie Hawkins Dance, Fundraising

Eligibility to Participate in Extracurricular Activities
Students must maintain a minimum level of progress to be eligible to participate in extracurricular activities. A list of ineligible students (AI list) will be distributed to faculty each reporting period. A student may request a review every Friday. Students are accountable for knowing whether or not they are eligible.

Citizenship Eligibility
It will be assumed at the start of each semester a student’s citizenship standing is satisfactory (S). Students may also see their citizenship standing drop to needs improvement (N) or unsatisfactory (U).

Students with 4 tardies may receive a needs improvement citizenship standing. Upon receiving 6 tardies, the standing will change to unsatisfactory and the student will be placed on the AI list. The unsatisfactory may be amended by community service, but would return to unsatisfactory with any additional tardies. Students that have outstanding fees will also be placed on the AI list for citizenship until their fees have been paid for. A first offense of cheating, classroom disruption, or truancy may also result in a needs improvement citizenship standing. A second offense will result in an unsatisfactory citizenship standing.

Students who have been suspended are ineligible to participate in extracurricular activities for a period of up to five school days for every day of suspension assigned.

Students with an unsatisfactory citizenship standing will be restricted from attending extracurricular events including clubs, school competitions, dances, sports, and Grad Nite. Students with an unsatisfactory citizenship standing could improve their standing through a mutually agreed upon contract between the student, dean or designee, and the student’s parent/guardian.
Students who are ineligible may be allowed to rehearse or practice with their group during and after school under the direct supervision of teacher/coach, but will not be able to perform or participate outside the regular school day.

**Rules Concerning Extracurricular Activities, Field Trips, and Dances**

All school rules and specific field trip regulations will be followed on school-sponsored field trips and extracurricular activities. Students who participate in these activities are expected to conform to the school’s accepted standards of behavior, decency and/or modesty. Violations are subject to disciplinary action.

Extracurricular activities include, but are not limited to: competitions, dances, day and overnight field trips, etc.

Students will not be allowed to purchase tickets for dance or extracurricular field trips if they are on the AI list.

Students that are on the AI list must be off at least one week prior to the day of the event they would like to participate in unless coaches or advisors designate otherwise.

Students that are on the AI list will not be allowed to run for office or try out for any competitive activity or drama production.

Students who wish to attend dances as guests of students at other schools must also meet UHS eligibility criteria.

**Criteria to Miss Class to Attend a Special/Extracurricular Activity**

Students will be expected to sign out in the Office in the usual manner unless the teacher(s) in charge provide a roster to the Office of all the students present and participating.

For an all-day or overnight event, no student who is on the AI list may attend the event, whether or not it involves missing school.

For a morning or an afternoon half-day event, no student may miss regular classes if he/she is receiving an “F” grade in any one of the missed classes. It should be noted that students affected by this policy might still participate in the activity if they can obtain transportation to join the event in progress after attending the required class(es).

**Dances**

Board Approved: 5/3/2018
Board Amended: 12/20/2018
Board Amended: 4/4/2019
UHS offers several dances each year for UHS students and their guests. Each class club and the ASB council host one dance during the year.

Rules Concerning Dances

Students must satisfy the eligibility requirements stated previously to attend dances. It is the students’ responsibility to know if they are eligible to attend the dance. Students may not purchase a dance ticket until they are eligible to attend.

All school rules and regulations are in effect and are enforced at all dances.

Students must have been in attendance at school a minimum of 4 periods on dance day to attend the dance.

Students who have been suspended during the week of the dance are not allowed to attend.

Students who behave inappropriately may be asked to leave the dance.

No one, including ineligible students, is allowed to loiter in the vicinity of the dance.

Bringing Guests to Dances:

a. Dance Guest Passes are available in the Office and on the School’s website.

b. Only one Guest per UHS student. The guest must enter and leave with the UHS student.

c. The Guest Pass must be approved by an administrator at the guest student’s school (with an attached business card), unless the guest is not attending school.

d. All guests must be within the ages of 14-20 years old and must be at least in 9th grade. No guest 21 years or older will be admitted to the dance.

e. All Guest Passes must be turned in and approved by the Principal prior to the dance. No Guest Passes are accepted at the door.

Each UHS student and guest (under 18) must present a student ID at the door.

a. If a non-UHS student cannot obtain a student ID, BOTH students will need written parent permission on a Dance Guest Pass obtainable from the Office.

b. If the UHS student is under 18 and the guest is 18 or over, the UHS student needs written parent permission on the Dance Guest Pass and the guest must present an acceptable form of identification.

CLASSROOM DISCIPLINE PHILOSOPHY

Integrity, honesty, responsibility, and tolerance are all hallmarks and expectations of our University High School community. Our student diversity, standards of excellence, and our integration with the college campus require more mature behavior from our students, and as such, we expect a higher standard of behavior from all students. We are not a typical high school—we are Understanding, Honorable and Studious, we are UHS.

Teachers’ Classroom Rules – Teachers have the right to establish individual classroom rules and regulations that are consistent with the policies of UHS.

Basic Classroom Rules
1. Be in class on time and prepared to work with required materials.
2. Behavior must not interfere with the learning process.
3. Respect the rights and property of others.

Consequences of Violations
1. Verbal warning by teacher: teacher may take other actions, such as change student’s seat, etc.
2. Teacher/student conference.
3. Teacher/parent contact by phone, conference, mail, etc.
4. Referral to the Principal, student assigned to detention, ISS, parent notification.
5. Detention, ISS, removal from class, suspension, expulsion.
6. Any violation of the UHS Code of Character, other than tardies, will also result in the violator being assigned to write a 300-500 word essay on how the infraction was not in keeping with the code of character.
7. Students will be unable to participate in extracurricular activities for a period of time that corresponds to their suspension (either on-campus or off-campus). One day of suspension is equivalent to one week of “non privileges.”

Disciplinary Transgressions

Cheating
Any student who knowingly violates the school’s or an individual teacher’s established policy dealing with graded assignments shall be considered to be cheating and shall be disciplined by the following methods:

First Offense: F (or zero) on assignment, parent contact, honor code essay and detention.
Second Offense: F (or zero) on assignment, parent conference and 1-3 day suspension and “U” citizenship standing.
Third Offense: F (or zero) on assignment, parent conference, 3-5 day suspension

The acts of plagiarism (copying someone else’s work or allowing someone to copy your
work), online postings of answers/class work/tests/quizzes, using unauthorized aides on a test or quiz, or failure to report known cheating to a school administrator or teacher is considered cheating. If you are aware of a student cheating, please file an anonymous report with a school administrator or teacher.

**Deception**
Any student who attempts to deceive school officials through lying, forgery, etc. is in violation of school rules and is subject to discipline.
- **First Offense:** Conference, parent contact, honor code essay and detention.
- **Second Offense:** Parent Conference, 1 - 3 days detention or suspension.
- **Third Offense:** Parent Conference, 3 - 5 days suspension.

**Meeting/Lecture Conduct**
Meetings and lectures are held for the education and enjoyment of students. Students are required to be courteous to the speaker and the program. It is the responsibility of each student to maintain high standards of courtesy and conduct. Violations may be cause for disciplinary action, such as detention and/or assignment to suspension.

**Student Disruptions**
It is prohibited for any student to disrupt the daily schedule, school activities, classroom procedure; to defy the authority of school personnel in the performance of their duties; or to be disobedient/defiant.

- **Class Disruption**
  - **First offense:** Conference, honor code essay and detention.
  - **Second offense:** Parent Contact and 1-3 days detention or suspension.
  - **Third offense:** Parent Conference, 3 - 5 days suspension.

- **Defiance**

**GENERAL DISCIPLINE POLICIES AND PROCEDURES**

Integrity, honesty, responsibility, and tolerance are all hallmarks and expectations of our University High School community. Our student diversity, standards of excellence, and our integration with the college campus require more mature behavior from our students, and as such, we expect a higher standard of behavior from all students. We are not a typical high school—we are Understanding, Honorable and Studious, we are UHS.

Receipt of this Handbook constitutes the students’ warning for violations of rules. The following pages give general outlines of disciplinary consequences but the administration reserves the right to decide what course of action will be taken.
Consequences for Rule Violations
Seriousness of the offense, conditions under which it occurred and the student’s cooperation and discipline record are factors to be considered in each case. As mentioned above, the administration reserves the right to decide what course of action will be taken. In some cases, including any violation of Penal Code, law enforcement agencies will be involved.

Appeal Process
Students who are not satisfied with the decision of the Superintendent regarding the assignment of consequences for rule violations may appeal the decision to the Board of Directors. The student is required to state in writing the reason for requesting the appeal. Upon review of the written appeal, the Board may either: 1) act on the basis of the written appeal, or 2) grant an appeal hearing at which both the student and his/her guardian are required to attend.

Lunch Detention/Afternoon Detention
Students may be assigned to lunch detention or afternoon detention periods 8 and 9. These students will be isolated and expected to work on assignments, some of which may be related to their offenses. Students are to bring paper, pens, and school books with them. Students may also be given a ‘campus beautification’ task as part of their detention assignment. This may include tasks deemed appropriate to the situation such as picking up trash around the UHS campus, etc.

Suspension
UHS has developed and maintains a comprehensive set of student discipline policies describing the school's expectations regarding attendance, leave from campus, mutual respect, substance abuse, violence, safety, work habits, and academic performance. Off-campus suspension (OCS) will be assigned for major rule violations, outlined in EdCode 48900. When suspended, students are not allowed on campus for any reason. Teachers are not required to assist students with makeup work missed while suspended.

In School Suspension (ISS)
ISS allows students to be on campus rather than be suspended off-campus. Students assigned to ISS are at all times under the supervision of a staff member and are provided with assignments, some of which may be related to their disciplinary violations. Students report to ISS in the Office immediately after arriving at school and are supervised until they leave for home. A student assigned to ISS on any given day is not allowed to participate in school activities on that day. Students are to bring paper, pens, and school books with them.

Expulsion
Students who habitually fail to comply with these policies and/or who present an immediate threat to health and safety may also be suspended or expelled by the school's governing board upon recommendation from the Superintendent. A student under consideration of
expulsion shall be entitled to a hearing, conducted in accordance with Ed Code 48915, to
determine whether the pupil should be expelled. In such cases, an expulsion hearing shall
be held within 30 school days after the date the Superintendent determines that the pupil
has committed any of the acts enumerated in Ed Code 48900, unless the pupil requests, in
writing, that the hearing be postponed. Within 10 school days of the hearing, the governing
board shall decide whether to expel the pupil, unless the pupil requests in writing that the
decision be postponed. Final action to expel a pupil shall be taken only by the governing
board in closed session.

Students that have an IEP or 504 Plan will have due process and procedural safeguards
under the law. These procedural safeguards will be followed to conform to applicable federal
law regarding students with exceptional needs. UHS will follow Section 504, the IDEIA, and
all applicable Federal and State laws, including but not limited to the Education Code when
imposing suspensions and expulsions. UHS will notify the district of the suspension of any
SPED/504 student or suspected student of disability prior to expulsion.

**Property and Safety**

**Safety**
Students are required by law to maintain safe practices at all times. The wearing of safety
glasses and other protective equipment and clothing is a requirement in studios and labs.
Students failing to abide by the safety procedures as specified for these classes will not be
allowed to continue with the work in the studio or lab and may be disciplined. Continued
violations will lead to removal from the class.

**Dressing for Physical Education (PE)**
A description of appropriate and inappropriate dress for PE classes is provided by each
instructor to ensure safe and healthy participation by all students. Students may elect to

**Aromatics**
Some members of the UHS community are allergic to aromatic sprays, perfumes, and/or
lotions. Do not wear or dispense highly aromatic perfumes or lotions in school.

**Pets**
No animals or pets are allowed on campus. Not only can animals/pets be a disruption to the
campus environment, but also just like aromatics, some members of the UHS community
are highly allergic to animals.

**Personal Property**
UHS assumes no responsibility for loss or theft of students’ personal property. Students are
encouraged **not** to bring items of value to school that are not needed or that may be lost or
stolen. Students must be responsible for their own possessions and should not expect
others to be held accountable for their safekeeping. **Do not leave any of your belongings**
Backpacks should be stored in your locker, and larger musical instruments should be stored in the music room lockers.

Search & Seizure
The Board of Directors is committed to maintaining an environment for students and staff which is safe. The Board recognizes that incidents may occur where the health, safety and welfare of students and staff are jeopardized and which necessitate the search and seizure of students and their property by school officials. The Board authorizes school officials to conduct searches of students, their backpacks, their motor vehicles and other personal property when there is reasonable suspicion that the search will uncover evidence that the student is violating the law or school rules. The Board urges that discretion, good judgment and common sense must be exercised in all cases of search and seizure. Any student found in possession of an illegal substance and/or object shall be reported, along with the evidence, to the proper legal authority. Under no circumstances will a student be strip searched.

UHS Internet and Social Networking/Media Policy
With new means of communication via technology constantly emerging, UHS recognizes students will frequently use tools such as Twitter, Facebook, email, and texting to communicate with each other and their community. Because of its ability to reach a vast audience with a new level of permanence than other forms of communication, technology is a powerful tool that is best used with care so as to protect oneself from unintended social and emotional harm, or even legal action and criminal charges. While use of some forms of social media appears to be anonymous, no communication is actually so and one’s identity is easily traced (especially on a college campus).

In the past, people could more easily maintain separate public and private lives. But now, when things in one’s private life are shared electronically, they can easily become public. People are now being defined not only by their public actions, but also by the private things that they say and do. We must be more careful with our electronic communication.

At UHS, while we allow the use of social media, we expect students to adhere to the following guidelines and rules for their own safety and the integrity of our school community:

1. NEVER post any message, text, or picture about another person, especially STUDENTS, TEACHERS, or STAFF, that could be interpreted as negative or indecent by the person mentioned or by an objective reasonable observer, even when using a feature where there is a perception of anonymity (such as yik-yak or social media accounts under false names).
   a. UHS does not condone using social media in regards to others without their consent if it could be construed or interpreted in any sort of negative way. Additionally, students are obligated to remove or rescind a post, photo, video, audio-file, etc. containing another person if the person requests them to do so.
   b. While you may post things about yourself, NEVER post or send a picture, video, audio-file, etc. of yourself that could be interpreted as indecent or
denigrating, even when using a feature where there is a perception of anonymity.

2. When using electronic communication, NEVER use racist or derogatory language - even when joking with a friend or when using a feature where there is a perception of anonymity.

3. Avoid electronic communication that could be construed as sexual harassment or hate speech, or communication that suggests that you support or may conduct a violent act against yourself or others, even when using a feature where there is a perception of anonymity. Such postings may be investigated if brought to our attention.

4. UHS does not allow posting of recordings of classroom lessons or pictures of tests, homework, or other sensitive teacher work without teacher permission, and you are NEVER allowed to take pictures of or post about standardized test information (e.g. CST, AP, PSAT, CAHSEE).
   a. Always be sure that if you are discussing school work in your postings, you are not violating the UHS cheating policy.

If you are in a private group (such as Facebook) and someone in that group violates one of the above rules, you could find yourself guilty by association, especially if you have commented positively about what the other person posted. To protect yourself, you must speak out against posts that violate the rules posted above (or report to a school official) so that others know that you are not party to it and that you uphold the UHS Internet and Social Networking/Media Policy.

It is a common belief that students have a right to privacy and freedom of speech. It is important for students to understand these freedoms can be restricted legally in order to prevent harm to others. It is UHS policy that if something you post (whether at school or away from school) that becomes a topic of conversation at school, or affects a person at school, the school can take disciplinary action against you, as they deem appropriate, for what you have posted.

The above rules are designed to be guidelines for safe social media usage to protect you. To the extent that you choose to ignore or violate the guidelines, UHS reserves the right to take disciplinary action against you.

Online Posting
Because student character matters, UHS wants to reinforce good student behavior both on and off campus. As such, UHS reserves the right to investigate student behavior that influences the welfare of students and/or faculty. This includes, but is not limited to, online postings. See Cyber Bullying.

Cyber Bullying
Cyber Bullying is defined as the use of any electronic communication device to convey a message in any form (text, image, phone, audio, game, or video) that defames, intimidates, harasses, or is otherwise intended to harm, insult, or humiliate another in a deliberate, repeated, or hostile and unwanted manner under a person’s true, false, or misrepresented identity. Any communication of this form that disrupts or prevents a safe and positive educational or working environment will be considered cyber-bullying. Use of personal communication devices or school property (including property of CSUF) to harass, intimidate, or bully another is prohibited.

Examples of Cyber Bullying include, but are not limited to, the following:

- Sending or posting mean, vulgar, or threatening messages or images.

- Posting sensitive, private information about another person on a blog, Facebook, Instagram, Snapchat, Twitter, etc.

If you use a blog, Facebook, Twitter, Instagram, Snapchat, or other form of social media, gossiping about UHS students is neither appreciated nor appropriate, even when in subtext or indirect reference (i.e. “subtweeting”).

- Purposefully excluding a student in tags, groups, posts, or other forms of communication.

Dress Code and Grooming Guidelines
The dress code and grooming guidelines at UHS are consistent with the standards of educational institutions and places of business. Remember, school is for teens what work is for adults. At home you can wear whatever your family standards allow, but at school your clothes should be appropriate for the work we are doing. Use common sense. **When in doubt about whether clothing or grooming is appropriate for school, don’t wear it.**

All clothing should be within the bounds of decency and good taste, neat, clean, and comfortable. A favorite piece of clothing may not be appropriate for school. Any teacher or school employee may direct a student to report to the Office for clothing or grooming he or she deems inappropriate. If a student is sent to the Office, he or she may be asked to call a parent to provide different clothing or to deal with a grooming issue. A student may be loaned clothing to wear for the day and return it laundered.

**SCHOOL SAFE PLAN**

**Student Personal Safety**

Students, your safety on our campus is of the utmost importance. The school building was built with earthquake and fire safety in mind and the University campus we reside on has its own Police Department and Chief of Police. The police department is the home emergency response center for the CSUF Campus (911 calls made from campus phones are answered here), in addition to taking calls, they monitor security cameras, including the multiple UHS cameras, around our exterior as well as those that look over the south parking lot that are monitored 7am to 11pm daily.

As safe as the campus may be, there are other mechanisms designed to protect you. When leaving the UHS campus, note the blue emergency phones (blue poles with light on top) that provide emergency contact with the police. Note where they are spaced around our campus (right in front of our school on sidewalk) and throughout the parking lot. To use one of these phones, press the big red button and your call will be answered by the campus’ 911 emergency center. The phone’s beacon will light up and you will be asked to state your emergency.

**If you are ever walking across campus or through the parking lot** and feel unsafe, the campus has a safety escort service. To access this free service, call the campus police dispatch office at 278-8400 and explain what you need. If you call dispatch, you can request safety escort, by which a cart will come and transport you across campus.

**If there is an emergency on CSUF campus,** the university has its own way of communicating with you. CSUF has an Indoor Notification System by which they can make our classroom telephones act as speakers and blast out their instructions to everyone in your room. Outdoors the university cameras serve as part of their Outdoor Notification System and can broadcast any emergency message. Lastly, CSUF has its Text-Alert system (Bulldog Alert) that allows the university to send text messages to your phone alerting you to campus emergencies. UHS also uses text and a robocall process to alert and inform parents of any crisis on our campus.

**While you are attending school at UHS,** note the safety measures by each classroom door. Near the door, you will find the posted evacuation routes that provide direction should you be asked to evacuate the building. You will see a fire extinguisher should you observe a fire, and note that on each door handle there is a panic button that when pressed, locks the door and prevents those outside from entering (something only pressed in an emergency). The school will do annual drills that outline the use of these measures and

Board Approved: 5/3/2018
Board Amended: 12/20/2018
Board Amended: 4/4/2019
allow you to practice and learn the appropriate things to do in different emergency situations.

If someone tries to forcefully enter the room you are in, be prepared to fight (look for an improvised weapon you can use, like the fire extinguisher by the door).</td>

Sometimes the real emergencies are not obvious and go unnoticed.

Being alert and avoiding Traffic

Students walking around campus and into parking lots or street risk accidents everyday when they are looking at their phones or chasing frisbee's and not watching where they are going. Pay attention, make eye-contact with drivers before crossing streets especially when in a crosswalk. No sports activities on grass in front of bandroom, or in the courtyard.

Student in Need. If you know or suspect a student is: being bullied or harassed, homeless, abused, contemplating suicide, etc.

Notify a school employee (counselor, teacher, administrator). We will confidentially investigate and help as necessary. We want all students to feel safe on campus, and we need to look after each other and communicate with each other if we believe someone’s well-being is in jeopardy. Rule of thumb; if you see something that strikes you as out of the ordinary, say something to a school employee.

Summary
To enhance your personal safety and those of others, do the following:

a. Program the CSUF police dispatch number of 278-8400 into your phone and If you see something suspicious on CSUF campus, say something.

b. Know how to use the blue emergency phones and when out on campus know your surroundings and be aware of the available exits.

c. Take safety precautions at all times, especially at night.

d. Be familiar with how to respond in a school emergency.

e. Look after your fellow students and tell a school employee if you sense that a student is in need.
